

Secure Key Cabinets

DESIGNED TO PROTECT. ENGINEERED TO PERFORM.

Levco Secure Key Cabinets. Designed to Protect. Engineered to Perform.

Approved for use by the New Zealand Defence Force, Levco Secure Key Cabinets are proudly manufactured in New Zealand and available in capacities ranging from 60 to 140 keys.

Featuring a robust 4mm steel door and available with either a combination or key lock*, these cabinets are ideally suited to applications where enhanced security and controlled key management are essential.

For improved organisation and identification, the included key tags can be laser marked with custom numbering on request.
