

# FD-2714 Protex Large Depository Safe

## Decription

Protex B-rated depository drop safes are designed for ease of use and are a great choice for convenient stores, hotels/motels, churches, gas stations/car wash, restaurants and more. The safe is equipped with laser cut 1/2 inch steel plate door, spring loaded re-locker and chrome plated heavy-duty steel locking bolts as well as an anti-drill lock plate.

The SecuRam electronic lock is a standard feature for the drop safe which gives it a very convenient and fast operation as well as easy programming and a wrong-try penalty lockout mode to prevent manipulation of the lock.
