## Overview

- Tubular-style key lock with Double "D" configuration. Two keys included.
- Piano hinge.
- Drop door opening thick enough to drop keys, wallets, car remotes, thick envelopes and more.
- Metal baffle to protect drop opening from fishing.
- Pre-drilled mounting holes on sides for in-the-wall installation.
- Installation hardware included.
- Reinforced double steel door to protect against prying.
- The perfect way to lock and secure cash, keys, mail, car remotes, small envelopes and more.
- Drop from one side and collect from the opposite side.
- Includes two removable and adjustable metal frames to hide the rough cuts.
- Maximum thickness of item to drop is 25mm thick.
- Recommended wall thickness for proper installation is between 100mm and 254mm.
